WRITING SKILLS

In your own handwriting, describe why you want to be a member of the Highlands County Sheriff's Office and how your being a member may benefit the criminal justice profession. (Pay particular attention to sentence structure and word usage.)

DRUG FREE WORKPLACE

We have come to recognize that substance abuse is a serious problem in our society. We believe the abuse of alcohol, over the counter drugs, prescription drugs, and/or use of illegal drugs endangers the health and safety of the abuser as well as those around them.

Highlands County Sheriff's Office (HCSO) has established a Drug Free Workplace and it is a condition of employment for each employee to follow it. As a part of the DFWP Program, HCSO provides employees with substance abuse education courses which will help them to identify personal and emotional problems which may result in the misuse of alcohol or drugs. The courses also discuss the legal, social, physical and emotional consequences of the misuse of alcohol and/or drugs.

Our Drug Free Workplace Program now formally states that employee substance abuse will not be tolerated by the HCSO. This prohibition includes the possession, manufacture, use, transfer or sale of illegal drugs or the abuse of alcohol.

A drug testing program is an essential component of a Drug Free Workplace. Therefore, all applicants receiving a conditional offer of hire will be drug tested. Existing employee drug testing will be conducted under the following circumstances: (1) reasonable suspicion/cause, (2) on the job injury or accident, (3) upon returning from a substance abuse counseling or treatment program, and (4) random/unannounced selection as per ' 440.102(4)(b).

According to the Florida Statutes, an employee injured in the course and scope of his/her job who subsequently has a positive drug test result or refused to be tested could be denied Workers Compensation benefits and will be disciplined up to and including termination. Also, an employee with a positive drug test result or a refusal to be drug tested will put his/her unemployment benefits in serious jeopardy.

It is important that we all share in the effort to eliminate substance abuse and its disastrous effects. Our Drug Free Workplace Program is a means of safeguarding you and your family as well as the Sheriff's Office and our community.

I understand and agree to the terms of the Highlands County Sheriff's Office Drug Free Workplace as outlined above.
